Blog page - Mobile Portrait

Now About Blog Interest

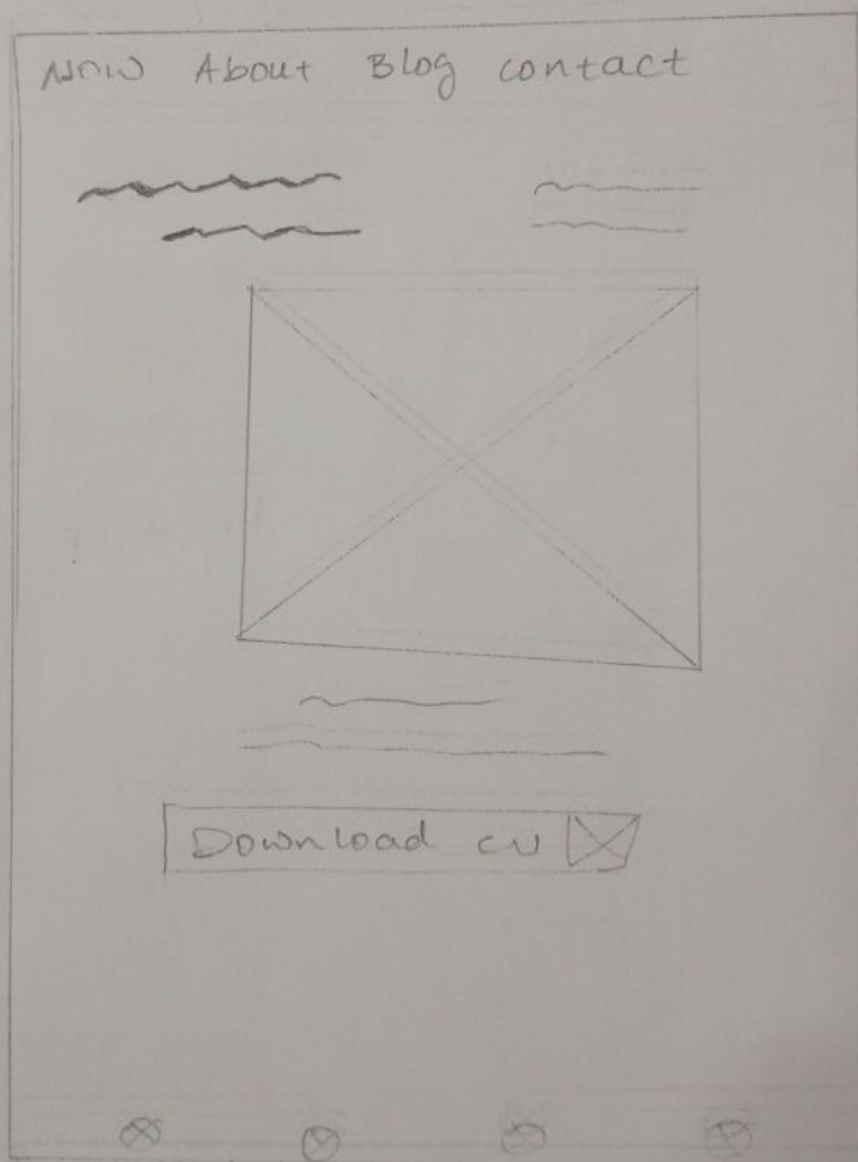

A hand-drawn sketch of a document layout. It features several horizontal rectangular boxes, some containing wavy lines and others with checkmarks. Below the boxes are four circles, each with an 'X' inside. The sketch is drawn on a grid background.

- contact page
- Mobile -
Portrait

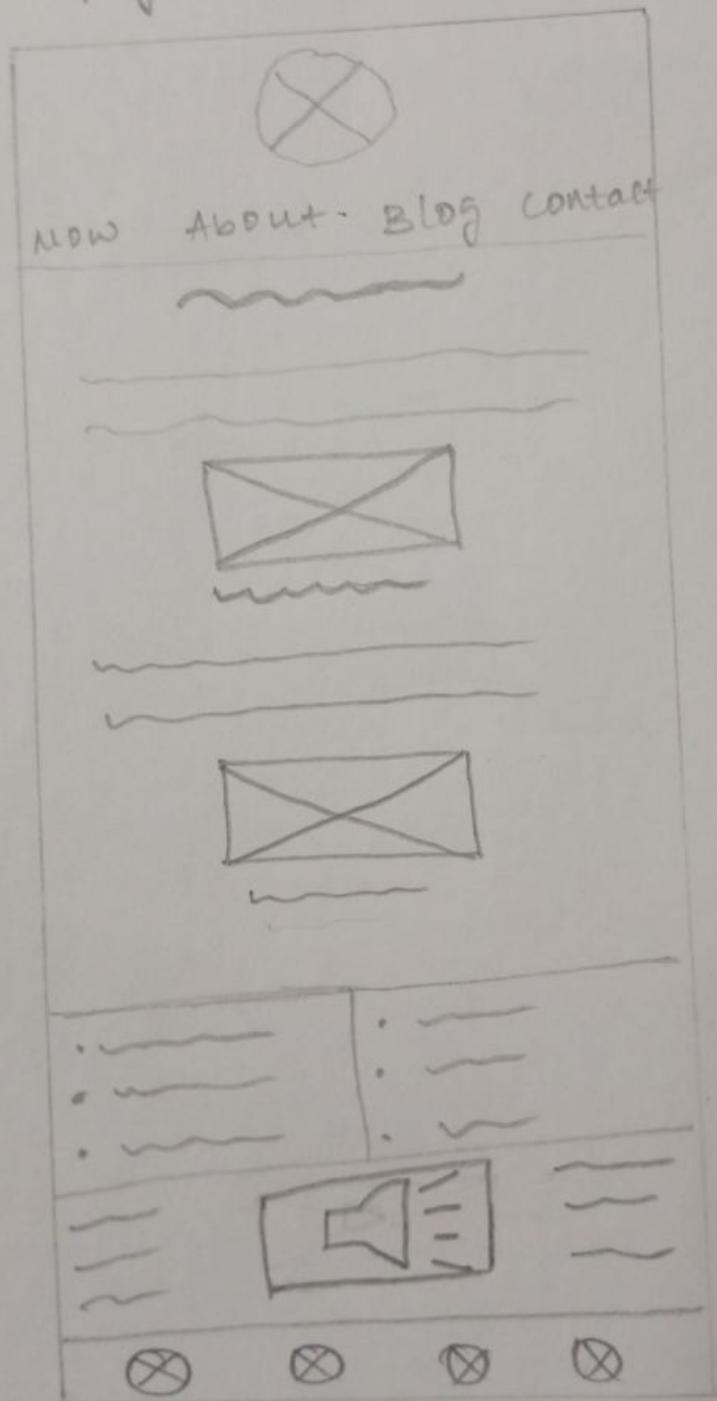

A hand-drawn wireframe for a mobile application contact page in portrait orientation. The layout is as follows:

- Header:** A circular profile picture placeholder with an 'X' inside, centered at the top.
- Navigation:** A horizontal bar below the header containing four text links: "Now", "About", "Blog", and "Contact".
- Main Content Area:**
 - A wavy line representing a separator.
 - A list of three items, each consisting of a small square icon with an 'X' and a horizontal line.
 - A large rectangular area containing three horizontal sections, each with a wavy line representing a text input or content area.
 - A small rectangular area at the bottom of the main content with a wavy line.
- Footer:** A horizontal bar at the very bottom containing four circular icons, each with an 'X' inside.
